OPINION

Pursuant to 28 U.S.C. § 2254, petitioner filed this habeas-corpus case. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that the habeas-corpus request be dismissed because the required permission to file a successive petition has not been obtained from the Eleventh Circuit Court of Appeals. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 20th day of April, 2023.

UNITED STATES DISTRICT JUDGE
